Animales de la Noche

"Night Animals" • sing it, then read what it means

SING

WHAT IT MEANS

Who is awake? ¿Quién está despierto?

The owl, el búho, soft and slow.

El búho, the owl, up in the tree,

"Buenas noches," you sing to me.

At night, de noche, hush and near,

Very softly, despacito, all is clear.

The bat, el murciélago, flutters by,

El murciélago, beneath the sky.

The firefly, la luciérnaga, tiny light,

La luciérnaga, good night, good night.

The cricket, el grillo, sings so low,

El grillo, now it's time to go.

De noche, at night, close your eyes,

Despacio, despacito, sleepy skies.

The hedgehog, el erizo, curls up tight,

El erizo, cozy for the night.

The fox, el zorro, rests his head,

El zorro, safe in his soft bed.

Who is awake? ¿Quién está despierto?

No one now; the world is quiet.

Ya no hay nadie; el mundo está en silencio.

The owl sleeps, el búho duerme,

The bat rests too, el murciélago duerme.

The firefly, la luciérnaga, tiny light,

La luciérnaga, good night, good night.

The cricket, el grillo, sings so low,

El grillo, now it's time to go.

De noche, at night, close your eyes,

Animales de la Noche

De noche, at night, close your eyes,
